Subject: RE: DOI maps

Hi Kristine –

I have communicated with Jim and things are progressing nicely and we are splitting up the SDUs onto multiple pages to make things a bit more readable. We actually were hoping to have a quick call with you to go over our bathymetry change analysis and can also discuss schedule at that time. Do you have time for a call today or tomorrow? I am available after 2:30pm today.

Amanda Shellenberger, P.E.
